

**Help build a dream dog park at California and Irving Park.**

- A fully fenced one-acre area for your dog to exercise, play, and socialize safely off leash, with plenty of trees and dog-friendly water fountains, too!
- A place to meet and greet fellow dog owners.
- Located in the southwest corner of Horner Park, within the current walking paths.
- You and your leashed pet will still be welcome in the rest of the park.

## Throw us a bone!

We need to raise \$150,000 to get the ball rolling on the design phase of the dog park. Whatever you can give would be greatly appreciated—no amount is too small. [The Horner Park Advisory Council](#) is a 501(c) (3) non-profit organization, and your donation will be tax deductible to the extent permitted by law.

There are great benefits to being a donor beyond the good feeling you'll get knowing you contributed to making this park a reality. For details about our sponsorship levels—Platinum, Gold, Silver, and Bronze—please visit the [Donate page](#) of our website.
